BY BICYCLE

COLEACP is reachable by bike. To define your itinerary, [consult the bicycle map of the Brussels Region](#). This indicates the Regional Cycling Routes, cycle paths, bicycle parking lots, sales and repair points, street elevations, etc.

A bicycle parking for visitors is available in front of the entrance of the building but also in a covered car park whose entrance is located at 212, chaussée de Wavre (prior request to the COLEACP staff).

3 "**Villo**" stations (shared bicycles) are located near the COLEACP - see map.

BY CAR

Please note that since 1 January 2019, the Brussels-Capital Region has become a low emission zone (LEZ). If you come by car or van, [check here](#) to see if your vehicle can travel within the LEZ. If you are not in the right conditions, we remind you that there are transit car parks at the entrances to Brussels and [alternatives](#) to the car.

To join COLEACP, we advise you to encourage public transport, walking or cycling.

The COLEACP has a visitor parking space whose entrance is located at 212, chaussée de Wavre (prior request to the COLEACP staff).
